ITINERARY

1 Cairo Tour

A professional representative from Golavita Travel will drop by your hotel lobby in Dahab just to accompany you to the Sharm El Sheikh airport for your flight heading towards Cairo, where you will definitely enjoy your Cairo tour from Dahab. On arrival at Cairo International Airport, you will be met by our representative carrying a signboard with your name to assist you at the airport and introduce you to your private guide who will accompany you through your Giza Pyramids tour.

You will then transfer to the Pyramids of Giza, where you can view the gigantic pyramids that were used as eternal houses for the kings of ancient Egypt, built to last over the ages. The Pyramid belonging to his son, Chephren, still retains some of its outer casing material at the top, while that of King Mycerinus - successor of Chephren - houses the 'triad of Menkaure' statues, three of which

you will see in the course of your tour at the [Egyptian Museum](#). Nearby the pyramids is what is probably the most enigmatic structure of all, the [Great Sphinx](#), with the head of a pharaoh and the body of a lion, supposedly built for King Chephren. The Valley Temple forms part of the pyramid complex and is the sacred place where mummification took place.

You will be taken to [old Cairo](#) to explore the Khan Al Khalili Souq, the oldest market in the Middle East, and admire the historic buildings dating back to the 12th century. After that, you will be transferred back to Cairo International Airport for your return flight to Sharm El Sheikh. Upon arrival at Sharm El Sheikh Airport, our tour guide will be present to accompany you to your hotel in Dahab.
