You will discover, after entering the tombs, what secrets they hold for mankind from the hands of these ancient rulers.

Next, take a visit to the smartly done Temple of [Queen Hatshepsut](#) at Deir El Bahari, an architectural wonder dedicated to one of the greatest and most successful pharaohs in Egypt. Admire the unique design of this temple and hear

Finish off the day with the Colossi of Memnon—two giant stone statues of Pharaoh Amenhotep III, which stand guard at the entrance of his mortuary temple.

Then again, return to the cruise for an overnight stay in [Luxor](#), and reflect on this overwhelming beauty and history.
